EXECUTIVE ORDER NO. 8-88EXECUTIVE ORDER CREATING
THE PUBLIC SCHOOL FINANCING ADVISORY COUNCIL

WHEREAS, Montana has, since 1949, funded the operations of public elementary and secondary schools through the School Foundation Program, and,

WHEREAS, the Foundation Program has provided funds from a variety of state and local sources, including a voted levy on property at the local level, and,

WHEREAS, the Court of the First Judicial District of Montana has found that funding inequities exist among school districts that are otherwise comparable, but have wide variation in the value of property within them, and

WHEREAS, the Court has further found that such funding inequities unconstitutionally deny citizens of the state equal protection and equal educational opportunity; and

WHEREAS, the Court has given the State of Montana until October 1, 1989, to establish a system of funding public schools that meets constitutional requirement; and

WHEREAS, the decision of the First Judicial District Court has been appealed to the Montana Supreme Court, but an affirmation there in whole or in part may still require the state to restructure the Foundation Program; and

WHEREAS, careful consideration of possible alternatives to current law prior to the 51st Legislature will give lawmakers an opportunity to modify any unconstitutional features of school financing statutes during their regular session.

NOW, THEREFORE, I, TED SCHWINDEN, Governor of the State of Montana, by virtue of the authority vested in me by 2-15-122, MCA, do hereby create the Public School Financing Advisory Council.

- e. Recommend to the Governor by October 1, 1988, a prioritized list of alternatives that will likely correct the constitutional flaws in the Foundation Program described in the Court's decision while ensuring that Montana continues to provide high quality educational opportunity to its citizens.
